

SCHLOSS MAIENFELD 1247

COVID-19 information for our guests

Extraordinary times require extraordinary measures.

It is important for all of us to do everything we are empowered to contain the COVID-19– not only to protect your and our health, but also because of solidarity with our more vulnerable people.

In order to be able to offer you as guests of our house as well as our employees the highest possible security during this time, we have defined the following points in our protection concept:

- All our employees wear a protective mask throughout their working hours.
- A mask is generally required in all public areas.
The mask may be removed in the establishment whenever the guest is seated at his place. The mask must be placed again when going on the restroom.
This applies to all persons older than 12 years.
- Food and drinks may only be consumed while sitting.
- Guests are asked to make their reservation in advance and are obliged to provide their contact details.
- Hand disinfectants are placed in all public areas.
- The minimum distance of 1.5 meter in between the tables is ensured.
- Our employees are required to disinfect their hands each time they clear dishes.
- Employees of the clearing team are required to wear gloves at all time during their work.

This concept is continuously adapted to the recommendations and requirements of the Federal Office of Public Health (FOPH) and the cantonal guidelines.

In order to be able to stop the further spread of the COVID-19, we ask you to refrain from visiting our house if you have not felt healthy in the past 10 days or if you complain acute symptoms such as cough, fever or loss of taste.

Dear guests, we wish you and those around you all the best and look forward to welcome you soon here with us.

Sincerely, your Schloss Maienfeld – team
